### ABOUT

My name is João Matos. I was born in July 1996 in Lamego, moving to Coimbra at a young age where I still reside today. From 2014 to 2019 I was enrolled in the master's degree in Electrotechnical Engineering and Computers from the Faculty of Sciences and Technology of University of Coimbra. During this time, I was able to learn how to solve electrical and computer engineering problems and programming languages such as C, C++ and Matlab. During this period I was also involved in BEST and NEEEC extracurricular activities where I got the opportunity to explore a more creative side. These activities made me realize that I would like to pursue other professional outcomes so I decided to enrol in the bachelor's degree in Design and Multimedia. Between this time I also worked as restaurant staff at Idealmed Coimbra. Currently I am in design and multimedia and I've already got the opportunity to make several projects both in visual design and front end user experience but also in back end oriented projects. Finally, my interests include computer hardware, UI/UX, animation, Web and Software development.

### SKILLS

#### Programming Languages:

- JavaScript
- HTML
- React
- CSS / Tailwind
- Python
- C / C++
- C#
- Processing

#### Software:

- Microsoft Office
- Adobe Illustrator
- Adobe Photoshop
- Adobe After Effects
- Adobe InDesign
- Adobe Substance
- Cinema4D
- Blender
- Unity
- Procreate

#### Languages:

- Portuguese (Native)
- English (Advanced C1)
- Spanish (Upper Intermediate B2)

### EDUCATION

2019 - To present:

#### Bachelor's Degree in Design and Multimedia

Faculty of Sciences and Technology of University of Coimbra (FCTUC)

2014 - 2019 (uncompleted):

#### Integrated Master's degree in Electrotechnical Engineering and Computers

Faculty of Sciences and Technology of University of Coimbra (FCTUC)

2011 - 2014:

#### Sciences and Technologies

Escola Secundária Infanta D. Maria (Coimbra)

2011:

#### EF Education First - 2 Week intensive english course

EF Education First Malta

2005 - 2011:

#### FCE First Certificate in English

British Council Coimbra

### WORK EXPERIENCE

2023:

Full stack web developer - Creation of the company website using React+Tailwind and deployment  
3 month internship at Doppel (IPN Coimbra)

2018 - 2019:

#### Restaurant Staff

Idealmed Coimbra

2016 - 2019:

#### BEST Coimbra - Marketing Team Colaborator

Board of European Students of Technology

2017:

#### EBEC Coimbra - Visual Identity Responsible

European BEST Engineering Competition

2016 - 2017:

#### NEECC - Image and Communication Coordinator

Núcleo de Estudantes de Engenharia Eletrotécnica FCTUC

- Management and reporting of a group with 8 people
- Budget Management
- Logistics
- Leadership, Teamwork and Delegation

2015 - 2016:

#### NEECC - Image and Communication Colaborator

Núcleo de Estudantes de Engenharia Eletrotécnica FCTUC
